In addition to regular courses, UNITAR regularly designs and deliver face-to-face, online or blended (face-to-face/online) training activities in the field of public finance, trade and intellectual property upon request by their partner institutions and donors. The training design, delivery and methodology are customized to reflect the needs of the beneficiaries and partners in order to meet the project objectives. With their global experience and extensive network of international experts and practitioners, UNITAR offers partners a cost-effective, quality and results-driven customized training. Contact pft-elearning@unitar.org. The course in Public Finance Management was organized in 2012 in Japan, under UNITAR Hiroshima Training Programme.
