

THE CHARLES & AGNES KAZARIAN FOUNDATION

FACT SHEET – 2024

1. **Founded:** 1998
2. **Core competency:** The Charles & Agnes Kazarian Foundation's (Kazarian Foundation) core competency is to improve Government Financial Performance (GFP) and Government Total Balance Sheet (GTBS) literacy.
3. **Tactics to support core competency:** Educate both key stakeholders and citizens on the importance of GFP and GTBS literacy through conferences, presentations, communications, articles, master classes, and white papers.
4. **Why we care:** The Kazarian Foundation cares about Government Financial Performance because government financial decisions directly affect the probability of debt, currency, and financial crises, which have a disproportionately large impact on society's most financially vulnerable.
5. **New Framework:** The Kazarian Foundation created the Citizens' Wealth Framework 2024, with 12 KPIs that provide a true and fair picture of government financial performance, that is both "a quantum leap in government financial performance management" and "the greatest advance in sovereign risk analysis".
