74	Greece has a debt advantage that must be communicated effectively	Imerisia.gr (from Stacy D. on 9/25/16 attached in PDF) *pg 5 of Newspaper	9/25/16
75	*little blurb translation by Stacy D: Opportunity Paul Kazarian, the largest holder of Greek government debt, didn't lose the opportunity to use the meetings that took place in Athens with the Southern countries last Friday to try once again to pass his message – that using the right accounting methods the debt is only 41% or 58% of GDP. He calculates that Greece will save 10 billion EUR from 2016 to 2020 from the lower cost of servicing.	To Vima (Print edition) *Alerted via email by Stacy Dimakakos on 9/21/16 (She attached in PDF)	9/21/16
